

# PROVIDER EDUCATION SUMMIT 2021

A UTAH HEALTHCARE COMMUNITY EVENT

## Speaker Presentation Proposal and Release Form

**Submission period: 6/1/2021 – 7/15/2021**

**Please read the entire document carefully.**

*Submission of this proposal form does not guarantee that your proposal will be selected. All proposals will be evaluated based on relevance of the topic to the attendees, presenter availability, and reviews from previous presentations (if applicable). Each speaker may submit up to 3 proposals. Proposals accepted for Wasatch Front locations may or may not include St. George, as fewer presentation slots are available at the St. George location.*

*Presentations should be educational in nature. Unless attendees have asked for content specific to your organization, we recommend that your presentation cover industry-wide practices and information.*

Presentations are scheduled for one (1) hour - **please plan to use the entire time allotted.**

See [Appendix A](#) for a breakdown of attendee types from the previous series.

See [Appendix B](#) for a review of high-value topics for the community.
