

Utah Health Information Network

Job Description

Job Title Integration Engineer
Reporting Supervisor IT Director
Team Dev/Ops

Salary range \$58,800 – 88,200/yr
depending on experience

Posting

What if you could use your talent to have a positive impact on healthcare? As a nonprofit, Utah Health Information Network, UHIN for short is a health information technology (HIT) company that is making a difference by bringing technically relevant solutions to the market. We offer affordable tools that allow providers, payers, and patients to safely exchange information electronically. We are looking for a skilled and energetic Integration Engineer to play an integral role on our Dev/Ops team. If you're passionate about integration engineering read on to see if you have what it takes to join the team!

Why work here? UHIN Rocks! We are an innovative organization recognized for being one of the nation's leaders in information exchange. So how do we do it? It's no secret, we owe the past 30 years of our success to our outstanding and talented team members. To support our team, we offer an environment focused on learning and growth, an awesome benefits package, and opportunities to build a long and satisfying career.

How is Our Technology Used?

We aggregate, transform, and exchange large amounts of healthcare data. Our data significantly helps the biggest healthcare organizations in the world make decisions.

Position Summary

UHIN is on a mission to create a more connected healthcare system that drives innovation, collaboration, and inclusiveness. At UHIN you can help make a significant difference in the world of healthcare by providing solutions to both improve the care patients receive and reduce the costs of providing those services to healthcare professionals. The Integration Engineer will be working on various technologies across our public and private cloud environments to transform the enterprise.

If you have the skills and experience necessary for this career path, please apply! Please email resume to HR - hr@uhin.org.

Here's What We'll Take Care Of

Here's What We'll Take Care Of
